Standard Add-ons

This is an additional cover that extends the insurance cover that We give under the **Flexi Property Protector** Policy . We give these additional covers if You have applied to and paid premium for the covers and We have accepted to give covers to You.

1. Floater Cover

We extend the cover under the Flexi Property Policy to physical loss or damage to Stocks at more than one location as follows:

- i. You have declared all locations, and these are shown in the Policy Schedule.
- ii. The aggregate Sum Insured is available for cover of Stocks.
- iii. You have a good internal audit and accounting procedure under which the total amount at risk and the locations can be established at any particular time.
- iv. You must inform Us any change in the address of any location occurring after the Commencement Date.

2. Declaration Policy for Stocks

1. We agree to cover Your Stock on receipt of provisional premium based on Your declaration of the value of Stock, the premium being liable to be adjusted at expiry of the Policy Period, as follows
2. You will declare to Us in writing signed by You or an authorised person, the value of Your Stock less any amount insured by Policies other than declaration policies. If any Stock is covered by declaration policies, You must apportion to each policy a share of the value of stocks insured by such declaration policies pro-rata to the respective amounts named in those policies
3. Your declaration shall state
 - i). Average of the value at risk on each day of the month, or
 - ii). Highest value at risk during the month
4. You must give a separate declaration relating to each separate location.
5. You shall give such declaration before the last day of the succeeding month. If You do not make a declaration in time, We will consider the Sum Insured mentioned in the Policy Schedule as the value at risk.
6. At the end of the Policy Period, the actual premium will be calculated at the rate applied under the Policy on the average Sum Insured, i.e.,

The total of values declared or deemed to have been declared ÷ the number of declarations made or deemed to have been made.
7. If the premium calculated on adjustment is less than the provisional premium You have paid, We will repay the amount of the difference not exceeding 50% of the provisional premium.
8. If at the time of loss there is another subsisting insurance policy covering the insured Stock other than on declaration basis, whether You have taken such policy or someone else, We will only pay the amount of difference by which the value of the Stock at the time of loss exceeds the Sum Insured under the other policies, and We will not be liable to contribute more than that proportion which such difference bears to the total value of stocks. In all cases, the maximum We will pay is the relevant Sum Insured.
9. If after loss has occurred, it is found that the amount of last declaration before the loss is less than the amount which ought to be declared, We will pay only that proportion of loss which the amount in the last declaration bears to the amount that ought to have been declared.
10. If You cancel the policy (whether any stock exists or not), We will retain short period premium calculated on the average amount insured until the cancellation, or 50% of the provisional premium, whichever is higher. If You cancel the policy after loss has occurred, We will retain the premium of the higher of the two amounts:
 - i. The pro-rata proportion of the premium calculated on the average amount insured until cancellation plus the pro-rata proportion of the premium from the date of loss to the end of the Policy Period, and
 - ii. 50% of the provisional premium.
11. You cannot reduce the Sum Insured during the Policy Period.
12. We will not pay more than the Sum Insured, and You need not pay premium on value in excess of the Sum Insured. You and Us can increase the Sum Insured by agreement, and its effective date will be added by Endorsement on the Policy. You are liable to pay an additional provisional

premium on the increased Sum Insured proportionate to the unexpired Policy Period. If the rate for the class of the relevant risk is revised during the Policy Period, You must pay an additional provisional premium on the revised rate for the unexpired period. In both these cases, the premium will be adjusted at the end of the Policy Period as stated in Clause 7 above.

13. If the Insured Stocks are collectively of greater value than their Sum Insured at the time of loss, You will be Your own insurer for the difference, and must bear a rateable proportion of the loss. Every item of Stock shall be separately subject to this condition.
14. All other terms and conditions of the Policy shall apply to the Declaration Policy.

3. Floater Declaration Cover:-

“In consideration of Floater Extra charged over and above the policy rate the Sum Insured in aggregate under the policy is available for any one, more, or all locations as specified in respect of movable property.

At all times during the currency of this policy You should have a good internal audit and accounting procedure under which the total amount at risk and the locations can be established at any particular time if required.

The changes in the address of locations specifically declared at inception should be communicated”

Also :

- 1) In consideration of the premium by this policy being provisional in that it is subject to adjustment on expiry of each period of insurance.
“You agree to declare to Us in writing the value of his stocks (other than retail) less any amount insured by Policies other than declaration policies, in each separate building or non-communicating compartment or in the open on the following basis namely
 - i) average of the values at risk on each day of the month or
 - ii) the highest value at risk during the month and to make such declaration(s) latest by the last day of the succeeding month.

Such declaration(s) shall be signed by You or by a responsible person authorized by You to sign on your behalf.

If other policies on declaration basis cover the stocks hereby insured, the declarations shall be made so as to apportion to each policy a share of the value of the stocks insured under such declaration policies, PRO RATA to the respective amounts named in the policies.

In the event of a declaration not being made latest by the last day of the succeeding month then You shall be deemed to have declared the Sum Insured hereby as the value at risk.

On the expiry of each period of insurance the premium shall be calculated at the rate as applicable in the policy on the average Sum Insured namely, the total of the values declared or deemed to have been declared divided by the number of declarations deemed to have been made.

If the resultant premium is less than the provisional premium, the difference shall be repaid to You but such repayment shall not exceed 20% of the provisional premium.

Further it is hereby agreed and understood that no reduction in sum insured shall be allowed during the currency of the policy.

- 2) The basis of value for declarations shall be the market value and any loss hereunder shall be settled on the basis of the Market Value immediately anterior to the loss.
- 3) If at the time of any loss, there be any subsisting insurance or insurances on other than a declaration basis, whether effected by the insured or by any other person or persons, covering the stocks hereby insured, this policy shall apply only to the excess of the value of such stocks at the time of the loss over the Sum Insured by such other insurance or insurances, and We shall not be liable to pay or contribute more than that proportion of such loss which such excess (or, if there be other declaration insurances covering the same stocks, a rateable proportion of such excess) but not exceeding the Sum Insured here, bears to the total value of the stocks.
- 4) If after the occurrence of a loss it is found that the amount of the last declaration previous to the loss is less than the amount that ought to have been declared, then the amount which would have been recoverable by You shall be reduced in such proportion as the amount of the said last declaration bears to the amount that ought to have been declared.
- 5) Notwithstanding the occurrence of loss it is understood that the Sum Insured will be maintained at all times during the currency of the policy and You therefore undertake to pay extra premium on the amount of any loss pro rata from the date of such loss to the expiry of the period of insurance, the premium being calculated at the rate applicable to the stocks destroyed and such extra premium shall not be taken into account in and shall be distinct from, the final adjustment of premium.
- 6) In event of the policy being cancelled by You during its currency (whether stocks exist or not) the premium to be retained by Us shall be the appropriate short period premium calculated on the average amount insured up to the date of cancellation, or 80% of the provisional premium whichever is greater. Notwithstanding the above, if the policy is cancelled by You after a loss has occurred, the premium to be retained by Us shall be the PRO RATA proportion of the premium calculated on the average amount insured up to the date of cancellation plus the PRO RATA proportion of the premium from the date of loss to the expiry of the period of insurance on the amount of loss paid, or 80% of the provisional premium whichever is greater.
- 7) Our maximum liability shall not exceed the sum insured hereby and premium shall not be receivable on value in excess thereof. The Sum Insured may, however, be increased by prior agreement with Us in which event the new Sum Insured and the date from which it is effective will be recorded on the policy by endorsement. In the event of an increase in the Sum Insured being agreed to, We shall charge on such increased sum an additional provisional premium on a basis proportionate to the unexpired period of the policy and upon expiry of each period of insurance the total provisional premium so paid shall be adjusted as provided for in Clause 1 above. If during the currency of the policy, the rate for the class of risk to which the insurance applied is revised, and an increase in the Sum Insured under a Declaration Policy is agreed to, We shall charge on such increased sum an additional provisional premium on a basis proportionate to the unexpired period of policy, at the rate

at which the insurance was originally effected and upon expiry of each period of insurance the total provisional premium so paid shall be adjusted as provided for in Clause 1 above.

- 8) If the stocks hereby insured shall at the time of loss be collectively of greater value than the Sum Insured thereon, then You shall be considered as being your own insurer for the difference and shall bear a ratable proportion of the loss accordingly. Every item, if more than one, on stock shall be separately subject to this condition.
- 9) It is hereby warranted that every other policy on a declaration basis covering the stocks insured hereby shall be identical in wording with this policy.
- 10) This insurance is subject in all respects to the printed conditions of the policy except in so far as they may be varied by the above conditions.
