annum. The specified percentage can range from 5% to 25% of the original Sum Insured chosen by You for each item of the property insured.

However this provision will apply only to the Sum Insured on the property insured in force at the commencement of each Policy Period. At each renewal, the Sum Insured on the property insured shall be that as stated in the Policy (or amended by any Endorsement effective prior to the aforesaid renewal date) to which shall be added the increase which has accrued under this Extension during the Policy Period upto the renewal date and the specified percentage increase shall again apply for the Policy Period from the renewal date, unless otherwise instructed by You.

vii) **Floater Clause**

The following Clause shall be applicable for Policies where You have insured Your Stocks on Floater basis:

In consideration of Floater extra charged over and above the Policy premium rate, the Sum Insured in aggregate under the Policy is available for any one, more, or all locations as specified in respect of movable property. At all times during the currency of this Policy, You should have a good internal audit and accounting procedure under which the total amount at risk and the locations can be established at any particular time if required. Any changes in the address of locations specifically declared at inception should be communicated to Us by You.

viii) **Declaration Clause**

The following Clause shall be applicable for Policies where You have insured Your Stocks on Declaration basis:

- 1) In consideration of the premium by this Policy being provisional in that it is subject to adjustment on expiry of each Policy Period,

You agree to declare to Us in writing the value of Your Stocks (other than retail) less any amount insured by Policies other than Declaration Policies, in each separate Building or non-communicating compartment or in the open on any of the following basis, namely (a) average of the values at risk on each day of the month or (b) the highest value at risk during the month, and to make such Declaration(s) latest by the last day of the succeeding month. Such declaration(s) shall be signed by You or by a responsible person authorised to sign on Your behalf.

If other Policies on Declaration basis cover the Stocks hereby insured, the Declaration shall be made so as to apportion to each Policy a share of the value of the Stocks insured under such Declaration Policies, pro rata to the respective amounts named in the Policies.

In the event of a Declaration not being made latest by the last day of the succeeding month, then You shall be deemed to have declared the Sum Insured hereby as the value at risk.

On the expiry of each Policy Period, the premium shall be calculated at the Policy premium rate on the average Sum Insured, namely the total of the values declared or deemed to have been declared divided by the number of Declarations deemed to have been made.

If the resultant premium is less than the provisional premium, the difference shall be repaid to You but such repayment shall not exceed 50% of the provisional premium.

Further it is hereby agreed and understood that no reduction in Sum Insured shall be allowed during the currency of the Policy.

- 2) The basis of value for Declarations shall be the Market Value and any loss hereunder shall be settled on the basis of the Market Value immediately anterior to the loss.
- 3) If at the time of any loss, there be any subsisting insurance or insurances on other than Declaration basis, whether effected by You or by any other person or persons, covering the Stocks hereby insured, this Policy

shall apply only to the excess of the value of such Stocks at the time of the loss over the Sum Insured by such other insurance or insurances, and We shall not be liable to pay or contribute more than that proportion of such loss which such excess (or, if there be other Declaration Policies covering the same Stocks, a rateable proportion of such excess) but not exceeding the Sum Insured hereby, bears to the total value of the Stocks.

- 4) If after the occurrence of a loss it is found that the amount of the last Declaration previous to the loss is less than the amount that ought to have been declared, then the amount which would have been recoverable by You shall be reduced in such proportion as the amount of the said last Declaration bears to the amount that ought to have been declared.
- 5) Notwithstanding the occurrence of loss it is understood that the Sum Insured will be maintained at all times during the currency of the Policy and You therefore undertake to pay extra premium on the amount of any loss pro rata from the date of such loss to the expiry of the Policy Period, the premium being calculated at the rate applicable to the Stocks destroyed and such extra premium shall not be taken into account in, and shall be distinct from, the final adjustment of premium.
- 6) In the event of this Policy being cancelled by You during its currency (whether Stocks exist or not) the premium to be retained by Us shall be the appropriate Short Period premium calculated on the average amount insured up to the date of cancellation or 50% of the provisional premium whichever is greater. Notwithstanding the above, if the Policy is cancelled by You after a loss has occurred, the premium to be retained by Us shall be the pro rata proportion of the premium calculated on the average amount insured up to the date of cancellation plus the pro rata proportion of the premium from the date of loss to the expiry of the Policy Period on the amount of loss paid, or 50% of the provisional premium whichever is greater.
- 7) Our maximum liability shall not exceed the Sum Insured hereby and premium shall not be receivable on value in excess thereof. The Sum Insured may, however, be increased by prior agreement with Us in which event the new Sum Insured and the date from which it is effective will be recorded on the Policy by Endorsement. In the event of an increase in the Sum Insured being agreed to, We shall charge on such increased sum an additional provisional premium on a basis proportionate to the unexpired period of the Policy and upon expiry of each Policy Period the total provisional premium so paid shall be adjusted as provided for under Item (1) above. If during the currency of the Policy, the rate for the class of risk to which the insurance applies is revised, and an increase in the Sum Insured under a Declaration Policy is agreed to, We shall charge on such increased sum an additional provisional premium on a basis proportionate to the unexpired period of Policy, at the rate at which the insurance was originally effected and upon expiry of each Policy Period the total provisional premium so paid shall be adjusted as provided for in Item (1) above.
- 8) If the Stocks hereby insured shall at the time of loss be collectively of greater value than the Sum Insured thereon, then You shall be considered as being Your own Insurer for the difference and shall bear a rateable proportion of the loss accordingly. Every item, if more than one, on Stock shall be separately subject to this Condition.
- 9) It is warranted that every other Policy on a Declaration basis covering the Stocks insured hereby shall be identical in wording with this Clause.
- 10) This insurance is subject in all respects to the printed conditions of the Policy except in so far as they may be varied by the above provisions of this Clause.
